## WORK EXPERIENCE

---

### Anthias.xyz

*Software Developer*

Hanover, New Hampshire (Remote)

*Sep 2023 – Present*

- Converted the website's landing page to Next.js 13, significantly improving code maintainability and improving application scalability.
- Migrated existing codebase from the old pages directory to the new Next.js 13 app directory, streamlining the development workflow.

### The Kittansett Club

*Caddie*

Marion, Massachusetts

*May 2018 – Aug 2023*

- Provided exceptional service to members, maintaining a friendly and professional demeanor at all times.

## AWARDS & ACHIEVEMENTS

---

**Francis Ouimet Scholarship:** Bolstered career prospects and educational opportunities by receiving the Francis Ouimet Scholarship, recognized for contributions to the golf community and academic excellence.

**Dean's List:** Consistently achieved Dean's List recognition at the University of Massachusetts for all semesters, maintaining a GPA of 3.5 or above.

## PROJECTS

---

### cnobleshriver.com | [GitHub](#)

- Developed a personal website using React and Tailwind CSS, showcasing a portfolio of projects.
- Set up automated build and deployment pipelines with git, allowing for seamless updates.
- Implemented a fully responsive design to ensure optimal user experience across multiple device types, including mobile, tablet, and desktop.

### caddieMaster | [GitHub](#)

- Created caddieMaster to sort caddies using enumerated criteria such as rank, days worked, etc. making it easier for golf courses to manage work schedules and assignments.
- Solved the challenge of multi-criteria sorting in Java with a heap data structure.

## EXTRACURRICULARS

---

### UMass Club Golf

Organized Summer 2023 fundraiser golf tournament, raised over \$2500

*Sep 2022 – Present*

### UMass ACM Machine Learning Club

*Nov 2022 – Present*
