## WORK EXPERIENCE

## Anthias.xyz

Hanover, New Hampshire (Remote)

Software Developer

Sep 2023 - Present

- Converted the website's landing page to Next.js 13, significantly improving code maintainability and improving application scalability.
- Migrated existing codebase from the old pages directory to the new Next.js 13 app directory, streamlining the development workflow.

## The Kittansett Club

Marion, Massachusetts

Caddie

 $May\ 2018-Aug\ 2023$ 

Provided exceptional service to members, maintaining a friendly and professional demeanor at all times.

#### Projects

## $cnobleshriver.com \mid GitHub$

- Developed a personal website using React and Tailwind CSS, showcasing a portfolio of projects.
- Set up automated build and deployment pipelines with Git, allowing for seamless updates.
- Implemented a fully responsive design to ensure optimal user experience across multiple device types, including mobile, tablet, and desktop.

# ${f caddie Master} \mid {\it Git Hub}$

- Created to sort caddies using enumerated criteria such as rank, days worked, etc. making it easier for golf courses to manage work schedules and assignments.
- Solved the challenge of multi-criteria sorting in Java with a heap data structure.

#### AWARDS & ACHIEVEMENTS

**Francis Ouimet Scholarship:** Bolstered career prospects and educational opportunities by receiving the Francis Ouimet Scholarship, recognized for contributions to the golf community and academic excellence.

**Dean's List:** Consistently achieved Dean's List recognition at the University of Massachusetts for all semesters, maintaining a GPA of 3.5 or above.
